First Aiders The Fabric Working Group has been undergoing a series of risk assessments in recent weeks and would be interested to know whether there are any trained First Aiders or medical practitioners amongst our congregation. In the unlikely event that a member of the congregation were to be taken ill during a service, it would be very helpful for us to know who whether there was a trained First Aider at the service who could assist. If you would be willing to offer your skills and knowledge in these circumstances, please would you let Gail Winter know.
